## To the Democrats of Lincoln:

*I cheerfully accept the decision of the Court of Appeals and am for my successful competitor and the rest of the Democratic ticket. I thank my friends for their efforts in my behalf and now ask them to give to Mr. Hill and the other nominees their hearty support, as I propose to do.*

GEORGE W. DeBORD.

## MATRIMONIAL.

The general synod of the Reformed church in America in session at Asbury Park, N. Y., adopted a resolution endorsing reform in divorce and enjoining its ministers against marrying persons who had been divorced on other than scriptural grounds.

A Missouri woman sued for divorce because her husband put his feet on a chair during meals and his shoes on the parlor table, but the Judge decided that while those were exasperating causes for desiring separation, they were not enumerated in the list of causes for divorce. Every wife will agree, however, that if she could make the laws they would be included.

Mrs. Martha Bright Adams, of Hustonville, announces the engagement of her daughter, Nelle, to Mr. Rodman Keenon, of Harrodsburg. The marriage will be in the late summer. Miss Adams is a charming young woman, pretty and popular, and the young man who has won her heart is to be congratulated. Mr. Keenon is a clerk in the clerk of the court of appeals office at Frankfort and is a splendid gentleman.

A telegram was received here today announcing the marriage of Frank M. Springer to Miss Sallie Green at Missoula, Montana, yesterday. Mr. Springer is one of Harrison avenue's business men and is well known here. The bride was formerly a nurse in the hospital in this city. This romance, which has resulted in marriage, was begun in Guthrie about 18 months ago when Miss Green was a nurse and Mr. Springer an inmate of the hospital. At that time they became deeply in love and the culmination of it all is that they are now happily united in wedlock. Guthrie, O. T., Leader.

## CHURCH MATTERS.

Rev. J. T. Chastain will preach at Harris' creek church Saturday night and Sunday morning, next.

Quarterly meeting at Hebron church has been changed from the 12th and 13th to 24th and 25th of June. "Elder" will be there. Will continue the meeting with protracted services during the week assisted by Rev. A. P. Jones, of London. Everybody invited," writes Rev. Robert F. Jordan.

The State Sunday School Convention at Somerset was an auspicious occasion from beginning to end. The good people of the Queen City of the Mountains took splendid care of the hundreds of delegates and sent them home singing their praises. The next place of meeting will be Ashland. The following officers were elected: W. J. Brown, Somerset, president; Rev. H. J. Derthick, Hazel Green; Jesse T. Gosnell, Leitchfield; Rev. Frank Hardy, Louisville; vice presidents; E. A. Fox, general secretary; T. C. Grebaur, Henderson; W. J. Vaughn, Madge Field, secretaries; E. N. Woodruff, treasurer; Miss Nannie Lee Frayser, superintendent primary department; H. K. Taylor, Beechmont, superintendent youngling department; J. Shreve Du'ann, Greensburg house-to-house visitor; Rev. H. G. Ogden, Louisville, head of home department.

Mrs. J. B. Marcum, who has returned to Winchester from Jackson, says the Hargises, Ed Callahan and B. F. French, charged with the murder of her husband, have not been incarcerated a minute since their return to Jackson, but that Buck Cottongane, who was a witness against the Hargises in the trial of the damage suit, was thrown into jail on his return on a minor charge, and the bond he offered was refused.

## Will Cure Consumption.

A. A. Herren, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs, colds and lung trouble. I know that it has cured consumption in the first stages." You never heard of any one using Foley's Honey and Tar and not being satisfied. G. L. Penny.

Water is so nearly incompressible that it is but little denser at the bottom of the ocean than on the surface. Any substance which will sink will go directly to the bottom, in spite of the popular belief to the contrary.

Negotiations for a settlement of the strike have apparently been abandoned for the present, and unless concessions are made by both sides a settlement seems a long way off.

At Maysville United States Judge Cochran heard argument on the motion to transfer the case of Caleb Powers from the Scott county court to the United States court and reserved decision. Mabel Gates, aged 18, and George Job, Jr., were found in a dying condition from the effects of strychnine poisoning in Rosedale, Kan., and both died before medical aid could be administered. ## Cured Of Bright's Disease.

George A. Sherman, Lisbon Red Mills, Lawrence county, N. Y., writes: "I had kidney disease for many years and had been treated by physicians 12 years; had taken a well-known kidney medicine and other remedies that were recommended but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every 15 minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." G. L. Penny.

Hewitt—That is a queer case where the girl claimed that she was injured by the carelessness of the street railroad company.

Jewett—What was there queer about it?

Hewitt—The girl sued the company, and while the trial was going on she went around on crutches; but as soon as she got a verdict against the road she threw them away.

Jewett—I suppose the money put her on her feet.—Judge.

## Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. G. L. Penny.

## HUSTONVILLE.

While digging a well near Mt. Salem Jeff Austin struck a strong flow of gas at 50 feet.

A good rain Sunday morning made gladness in the hearts and money in the pockets of many of our farmers.

The ball game here Saturday had a good audience but the game was poor, the picked men from Boyle county being nearly shut out by the local team, the score being 14 to 4 in favor of Hustonville. The pitching of James Frye was superb; in fact our battery's work is of the historic Togo quality, making pigmies of their adversaries.

Lindsay, of Fort William, Ontario, Canada, who has suffered quite a number of years from dyspepsia and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets. THE chinch bug is a little thing, but he gets there all the same. He is less than a third of an inch long, but he extracts from the country's farmers an annual tax of \$60,000,000. It damages the wheat and corn crop \$20,000,000 each. The rest of its levy it divides among the lesser cereals. The energetic grasshopper costs us about \$50,000,000 a year. Possessed of an omnivorous appetite, the grasshopper destroys corn, wheat, rye, grass, pillages orchards and attacks almost every other kind of vegetation with perfect impartiality.

As sobriety and moderation in drinking is on the increase, it seems almost incredible that statistics show that the consumption of stimulants—that is, whisky, wine, beer etc., and their variants—costs \$18.33 per head in the United States, or \$91.65 for each family. The total cost of stimulants for the year ending June 30, 1904, is nearly \$1,500,000,000, or \$100,000,000 more than the average for the five years preceding. The enormous total can only be explained by the theory that the use of alcohol otherwise than as a stimulant is greatly increased.

SERIOUSLY threatened with civil war and whipped on land and sea, Russia is reduced to the occupancy of that narrow strip of land said to be between the devil and the deep blue sea, and the Czar is showing signs of interest in Japan's peace terms. It is high time, as every day will increase the exactions of the victors.

AN Indianapolis judge has decided that cigarettes can be smoked in Indiana if bought elsewhere, but if a fellow should give one of the little coffin nails to a friend he is in it good and strong. In other words the hoosier must go to another State to buy his cigarettes and then go 'way off by himself and smoke them.

COL. THOMAS B. DAVIS, a younger brother of ex-Senator Henry G. Davis, himself past 77 years of age, was elected to Congress at the special election held in the Second West Virginia District Tuesday. The Davis family seems to be returning to its usual run of luck.

THE Brewers' Association at Atlantic City resolved that beer drinking promotes temperance. The whisky makers could just as truthfully assert that the more of their product a man imbibes the more pronounced a temperance man he will be.

BOBBITT'S HORSES.—Hon. Fontaine Fox Bobbitt has two fine young stallions which he thinks are world-beaters. He has named one of them Volcano De Martinique and the other Wild Man from Borneo. According to Mr. Bobbitt's description of them they are dandies. His Wild Zingarelle, the mare he claimed he could sell for \$100,000 in the event she would trot a mile in two minutes, was killed by a train before she accomplished that remarkable feat.

#### Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors, but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." A bad odor from a person's breath

ach, catarrh, indigestion, constipa-

tion. Whatever may be the cause,  
there is just one reliable cure, and that  
is Dr. Caldwell's (Laxative) Syrup Pepsin.  
It cleans all the impurities out of  
your body and makes your breath as  
sweet as the June morning. Safe,  
pleasant and effective. Sold by G. L.  
Penny, Stanford, and C. W. Adams,  
Hustonville, at 50c and \$1. Money back

The officers have just discovered a new  
method of smuggling liquor. A team-  
ster working on the grade devised the  
plan. He had two very large horse  
collars made water tight. He would  
make regular trips to Texas and every  
time he would return the laborers would  
get drunk. After watching him for a  
long time the officer discovered that he  
would take the extra horse collars with  
him and bring them back full of whis-  
ky. Each collar would hold about two  
gallons of liquor. The man is under ar-  
rest.—Muskegon Telegram.
